The Allegany Mountain Resort in Upstate New York contracts WiFi Solutions Group to provide a WiFi Network in a very difficult and rugged outdoor Environment

Columbus, OH August 6, 2012

The Allegany Mountain Resort, nestled in a heavily wooded and hilly area had a supreme challenge to provide WiFi for their Resort. This challenge include getting the Internet across a lake located in the middle of the Resort. The ownership of Allegany Mountain Resort reached out to WiFi Solutions Group after being referred to them by the CEO and Owner of Erie Island Resort & Marina.

The WiFi Solutions Group surveyed the Campground and designed an outdoor network using Point to Point technology and that would reach the entire resort to include Internet across the Lake.

On August 6, 2012 the Owner of the Allegany Mountain Resort informed the WiFi Solutions Group that their proposed solution was approved and accepted.
