

WiFi Solutions & Technologies Group Signs WiFi Deal with Schottenstein Real Estate Group, Columbus, Ohio

WiFi Solutions & Technologies Group signs WiFi deal with Schottenstein Real Estate Group to provide WiFi for 2 of their New Apartment Complexes, "Mason Grand located in Mason, Ohio", and "Grove City Summit" located in Grove City, Ohio.

Columbus, OH (PRWEB) October 14, 2013

WiFi Solutions & Technologies Group, Columbus, Ohio, signs deal with Schottenstein Real Estate Group to provide WiFi for their two (2) of their New Apartment Complexes, "Mason Grand" located in Mason, Ohio and "Grove Summit" located in Grove City, Ohio.

Gary Reitter, Vice President of Construction/Development, for Schottenstein Real Estate Group, informed WiFi Solutions & Technologies Group on Friday, October 4, 2013 that their Proposed WiFi Solutions to provide a WiFi connection to the Internet for their new Apartment Projects was approved.

Named the 2006, 2010, and 2012 Developer of the Year by the Building Industry Association (BIA) and ranked #1 commercial real estate developer by Columbus Business First. The Schottenstein Real Estate Group is respected as one of the leaders in the real estate industry. We are dedicated to creating exceptional communities for living, working, shopping and entertainment. Our key personnel have developed, marketed and managed more than 10,000 for sale homes or condominiums, more than 25,000 rental units and a variety of commercial, retail, land and office projects throughout the Midwest and Florida.

Coming in early 2014, **Mason Grand** is the first high end rental development in one of the nation's Top 10 best places to live. The Mason Ohio Apartments are off of I71 at the Kings Island exit, just east of the Kroger Center. It will consist of 294 high end Mason Ohio apartments all with attached garages and top amenities such as resort style pool, 24 hr fitness center, lounges, fire pit café, media room, business room, free wireless internet, community garden, butterfly gardens, car wash and much more! 1, 2, and 3 bedroom townhome and garden apartments will be available. The state-of-the-art clubhouse is over 8,000 square feet and serves as the community gathering place for all residents. Stay tuned for more leasing information in Fall 2013.

From the moment you enter **Grove City Summit**, you'll notice the care and attention to detail with which it was built. The thoughtfully designed apartments feature unique finishes, open floor plans and plenty of spacious closets and storage areas. Plus, you'll be living in Grove City, a community rich in charm and convenience with easy access to central Ohio's major destinations.
