

WiFi Solutions Group Signs Wi-Fi Deal with KBK Enterprises, Columbus, Ohio

WiFi Solutions Group signs Wi-Fi Deal with KBK Enterprises to provide Wi-Fi for their New Apartment Complex, "Garfield Commons," located in Pittsburgh, PA.

Columbus, Ohio, April 02, 2013

WiFi Solutions Group, Columbus, Ohio, signs deal with KBK Enterprises to provide Community Wide Wi-Fi for their New Apartment Complex, "Garfield Commons" located in Pittsburgh, Ohio. Keith B. Key, President/CEO and John Williams, Compliance Officer for KBK Enterprises informed WiFi Solutions Group on July 13, 2012 that their proposal for to provide a Community Wide Wi-Fi System was approved.

Garfield Commons is a newly constructed housing community featuring 225 two, three and four bedroom townhomes located in the City of Pittsburgh, PA. The community is within ten minutes of shopping, two hospitals and Pittsburgh public schools. All homes include window coverings and private patio. Residents at Garfield Commons have access to a playground and the Pride Center Community Center.

The Garfield Commons project began development in 2008 and was originally 326 row houses in 58 buildings and declared a failure in 1998 by the Department of Housing and Urban Development. However visitors to Garfield today will see a vibrant and revitalized community comprised of 225 units of mixed income housing and a community center totaling 6300 sq. ft. Garfield was the largest deal awarded by the City of Pittsburgh to a minority contractor, KBK Enterprises at \$100 Million until KBK Enterprises was awarded Addison Terrace, a \$130 Million project. Keith B. Key Enterprises (KBK Enterprises), is headquartered in Columbus, Ohio with Offices in Pittsburgh and New Orleans, and is owned by Keith B. Key. Mr. Key, CEO of KBK Enterprises is also the Managing Partner of the Omni Management Group. KBK Enterprises is one of the largest African American owned real estate development firms in the nation and has been involved in real estate projects totaling more than \$1 Billion throughout the United States to include Pittsburgh, Cities throughout Ohio, Washington D.C., New York, Chicago and New Orleans. For more about KBK Enterprises please visit <http://www.kbkenterprises.net>.

The decision to include a Community Wide Wi-Fi Network adds an innovative amenity for the Residents of Garfield Commons. WiFi Solutions Group is a Columbus, Ohio based Systems Integrator that specializes in the Design, Deployment and Management of Wi-Fi Systems in Ohio and multiple neighboring states.
