

WiFi Solutions Group Signs WiFi Deal with Levering Management, Inc., Owner of Six (6) Assisted Living Facilities, to Provide Facility-wide WiFi for All Locations

Levering Management, Inc. prepares for “Electronic Medical Records Processing” by contracting WiFi Solutions Group to deploy a Facility-wide WiFi network for all six (6) of their locations.

Mt. Vernon, OH ([PRWEB](#)) September 02, 2014 -- WiFi Solutions Group, Columbus, Ohio, signs deal with Levering Management, Inc. located in Mt. Vernon, Ohio, to provide facility-wide WiFi for all six (6) of their assisted living facilities located throughout Mid-Ohio.

Mr. William Levering, President/CEO of Levering Management, Inc. informed the WiFi Solutions Group in early spring of 2014 that their proposed WiFi solution was accepted. Mr. Levering needed a solution that would help to meet the “New Secure Electronic Medical Records” requirement while providing wireless internet access to staff, visitors, guests and residents.

The WiFi Solutions Group proposed the solution that meets all of the Levering Management requirements.

Providing outstanding health care and senior living services since 1956, Levering Management is proud to serve individuals who need quality healthcare as they grow older. The Levering Management team is comprised of the finest administrative, medical, nursing, therapy and support staff to provide the highest quality of life for our residents.

The Levering Management mission is to foster an environment of caring that enables residents to continue to grow and achieve their highest potential as individuals by providing professional caregivers dedicated to making a positive difference in the lives of those they serve.

Whether potential clients are planning ahead or faced with an immediate situation, Levering Management understands that evaluating an individuals health care options plays a vital role in making a decision that is right for their potential clients.

The Levering Management Team is there to help by offering to serve as their potential client's community resource, health care educator and compassionate listener...Experience the Heart of Caring!
